

SIPP TAKERS INSTRUCTIONS

There's been an increase in SIPP interest this quarter, and December is the sign up month for those interested in SIPP for 1QTR09. The **only** way to sign up is online via Career Resource Center (CRC). Here's how employees can access it:

- Go to HROneStop online--from work, just click on HROneStop from the homepage (from home, go to access.att.com)
- Once on HROneStop, use the alphabet search on the right side of the page, click "S", then "SIPP (AT&T Southeast)"

That will bring you to the site where you'll see two links:
[Supplemental Income Protection Program \(SIPP\)](#) -- This contains important Q&As about SIPP which employees will want to review before signing up

And
[Career Resource Center](#) -- This is where you go to lock-in your SIPP acceptance. Click on SIPP in the row at the top and follow the prompts.

If they have any problems signing on, the help desk number is (800) 992-8840.
Thanks for your help,

Jeanne E. Whitson
Staffing Manager
AT&T Southeast
